DEFINITE RESULTS

Of "Good Citizenship" Agitation Promised After This Week.

STRICT SUNDAY OBSERVANCE

One of the ends to be sought, but the Ministers Refuse to Divulge the Line of Action Until To-morrow Evening—Two Meetings To-Night, One for Colored People—Mr. Holt's Tribute to an Impartial Newspaper Report.

The result of the two weeks' series of meetings in the interest of "Good Citizenship," held at several of the churches, under the auspices of the Wheeling Ministerial Union, will be determined at the closing meeting, at the English Lutheran church, to-morrow evening. The executive committee met yesterday afternoon to decide on the details, but Dr. Sooy, the chairman, said after the meeting, that there was nothing to give out until to-morrow evening. It is taken for granted, however, that steps will be taken to secure stricter enforcement of certain laws, particularly those regarding Sunday observance. It is not likely the agitation will extend to opposition to Sunday street cars, as some extremists have supposed.

To-night's meeting will be held at the United Presbyterian church. The speakers will be: Rev. C. E. Clark, of Thomson M. E. church, and President Myron Hubbard, of the Y. M. C. A.

The following letter from Mr. J. Howard Holt, of Moundsville, who was the principal speaker at one of last week's meetings, is self-explanatory:

DEAR SIR:—I feel that I owe it to you to say that I appreciate the very fair account you gave of the meeting which I addressed in the interest of good citizenship in your city on Friday night. I felt that I presented my subject in great weakness, although in a spirit of fairness.

I do not know that newspaper men care for expressions of appreciation of their work, but I thank you nevertheless, and will be obliged if you will say so to the reporter who represented you on that occasion.

I may add on behalf of the law and order element of this city an expression of thanks for your very fair account of all these meetings. I am very truly yours, J. HOWARD HOLT.

Moundsville, W. Va., Nov. 23, 1899.

The executive committee of the ministerial union has arranged to hold a meeting at Simpson M. E. church this evening at 7:45 o'clock, in order that the colored citizens may learn of the movement. The subject of good citizenship will be discussed by Rev. R. R. Bigger, of the Third Presbyterian church. Rev. J. W. Waters will preside.

NOT THE RIDGELY

Protective Association Was the Fake "R. P. A."

The trio of "green goods" men, arrested by the police and later released, owing to lack of prosecution, worked some little hardship to a worthy organization by representing to their victims that they were being initiated into the "R. P. A." Their organization was a fictitious one, and it is doubtful if the titular letters meant anything. But it happens that they conflict with the Ridgely Protective Association, a side degree of the I. O. O. F., with insurance features, as Deputy Organizer Marion Morris, of New York, now in Wheeling, discovered.

Mr. Morris has been in the city several days and has succeeded in getting twenty-two members. Only Odd Fellows are eligible. Mr. Morris' attention was called to yesterday's article in the Intelligencer, pertaining to the fictitious "R. P. A." which was so thoroughly exposed.

The Ridgely Protective Association was called after John Ridgely, one of the pioneer Odd Fellows, and it is a thoroughly sound institution.

Catarrah for Twenty Years and Cured in a Few Days.

Nothing too simple, nothing too hard for Dr. Agnew's Catarrah Powder to give relief in an instant. Hon. George James, of Scranton, Pa., says: "I have been a martyr to Catarrah for 20 years, constant hawking, dropping in the throat and pain in the head, very offensive breath. I tried Dr. Agnew's Catarrah Powder. The first application gave instant relief. After using a few bottles all these symptoms of Catarrah left me."

BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

After two days of prediction by the weather man, the rain came last night. The council committee on health failed to get a quorum for its meeting, called for last night.

Black Prince lodge No. 19, K. of P., will confer the third degree on several candidates in the amplified form to-night.

A suite of new furniture has been placed in Captain Cleman's office, at police headquarters, by the council committee on police.

The board of public works' employees will be paid to-day. The season's work is gradually being completed, but the pay roll will aggregate the goodly sum of \$2,547.33.

It would be an appropriate and graceful act if the authorities would have the city hall bell tolled Saturday afternoon during the hour of Vice President Hobart's funeral.

The postoffice will be closed on Saturday afternoon, on account of the funeral of Vice President Hobart. The banks will also probably observe the request of the President.

Work on the new Arctic Ice Skating Palace at the corner of Twenty-third and Water streets, is progressing rapidly, and the new place of amusement will be ready to open on Thanksgiving day.

Lafayette Commandery Knights of St. John, will hold a meeting this evening at 7:30, at which officers will be nominated, to be elected in December, and other matters of importance will be under discussion.

The first mask ball will be given by the Pleasant Valley Social Club at Pleasant Valley Park to-night. It promises to be one of the most enjoyable events in the history of the club, and will, no doubt, be well attended. Prof. Jones will furnish the music.

Miss Mary Swift entertained her young friends with a masquerade party at her home on Fifteenth street, last night. Despite the bad weather, the attendance was large. The costumes worn were original and unique and caused much merriment. Refreshments were served during the evening and all highly enjoyed their evening's diversion.
